Specification

Climate type

(Class / °C, %RH)

4

Product Temperature (Full load)

°C

<-18

Refrigerant

(Type)

R290

Auto Defrost System

Yes/No

yes

Temperature Control

Brand , Model

CAREL

Compressor

Brand , Model

EMBRACO

Power Rating

W

1490

Voltage Supply

V/Hz

220/50

Nominal Power consumption (30°C, 55%RH)

kW·h/24h

28,7

Nominal Current

A

7,4

Structure

Lids frame material

ABS

Glass Thickness

mm

4

Inner Body Material

Precoated Steel+Precoated Aluminum

Evaporator Material

Galvanized Steel Tube

Condenser Material

Galvanized Steel Tube

Dew Eliminating Tube Material

Galvanized Steel Tube

External Color

Optional

Internal Color

White

Blowing Agent

Cyclopentane

Feature

Thermometer

Yes/No

yes

Heater / Defroster

Yes/No

yes

Lighting
